

# BLURT!

The Family Game of Word Racing™

“Tomato!”

“Apple!”

“Cherry!”

## Think Fast!

What's the word for

“A small, round, red fruit with a hard pit”?

**Blurt** it out! Now, what's the word for the hair on a man's upper lip? **Mustache!** Right? Will your mind keep up with your mouth? It's the game of word racing where it's not what you know, it's how fast you know it! Since everyone plays at once, the pace is lightning quick...and hilarious.

If you blurt out the right word first you advance your mover on the game path. But, we've added **NEW** strategies and challenges to make the race that much more exciting. It could turn at any moment...

One side of the cards (**Blue**) includes easier definitions for the Junior version of play, while the other side (**Yellow**) contains more challenging words that adults will enjoy. **BLURT!** has earned the approval of families and educators for its pace and vocabulary-building benefits. But don't just take it from us:
