

PICTIONARY® MANIA!

THE GAME OF DRAWING, DIRECTING & DOING!

The game of quick draw is now hilarious for all! With six ways to play, it's fast-paced and sensational fun. Play in teams to complete the different categories. Once your team reaches the end of its path, be the first to complete three of five centre Category Titles. From classic ALL PLAY where teams simultaneously compete, to the new CHALLENGE play where you outbid and outplay your opponents, we've taken the game to a whole new level!

SIX GREAT WAYS TO PLAY:

1. CLASSIC PLAY

Just draw your best and have your teammates venture to guess! It may help to draw an eye patch on that "pirate."

2. DIRECT-A-DRAW

How do you get your teammate to guess "ice cream cone" by directing what shapes she draws? Try "Draw a circle with an upside down triangle underneath it"

3. DRAWBACK

Ohh, that tickles! Using your finger, draw on your teammate's back while he copies the image onto the tablet. That "sun" you drew felt good...

4. SHUT EYE

Sure you can draw but how about with your eyes shut?! Is that a dog or a sausage with a tail?

5. PEOPLE PUTTY

This time, it's personal. Grab your favorite person puppet and pose his body in different positions to try and get your team to guess the word clue.

6. ALL IN THE WRIST

It's hand over wrist! Hold your teammate's wrist and get her to draw the item on the tablet. Stay stiff. Otherwise, that bean will look too much like a tomato!

Colours and decorations may vary.
